Attention. Jason Williams.

Dear Jason.

APPROVAL OF A.G.I. FIBERGLASS INSULATION BATTS.

The above product has been approved for use in Ministry of Housing construction projects.

The approval is subject to the condition that reference to approval by the Ministry of Housing shall NOT be used in any way for advertising purposes.

Inclusion of the above products in any Ministry of Housing project shall be the choice of the building contractor for that project.

The above building products will be included in the next edition of the Ministry of Housing Approved Materials List.

Yours sincerely

Kin Low
